

Above: Board of Health Physician Dr. Kathy Amyot teaches SHDHD staff about mindful awareness and personal wellness.

Above: SHDHD's Health Surveillance Coordinator Devi Dwarabandam assisted with a physical activity station at the 18th Annual Kids Fitness and Nutrition Day for 4th graders, held at the Hastings YMCA.

Above: Beatriz Marino, RN, shares information in Spanish about COVID and Influenza prevention and immunizations at an educational event for Spanish speaking community members organized by SHDHD's Minority Health Advisory Group.

SHDHD staff participated in worksite health fairs at Western Reserve (Heidi, Jean, Luisa - *Middle Above*) and Hastings Public Schools (Heidi, Jean - *Above*) promoting diabetes risk assessment, promoting SHDHD programs, and screening for social determinants of health.

Right and Below: Reaccreditation preparation - Staff training on the reaccreditation process and narrative-writing documentation for reaccreditation, presented remotely by Colleen Svoboda and Celeste Ehrenberg from the UNMC College of Public Health.

Below: State Dental Director Dr. Charles "Fritz" Craft, DDS, Nebraska DHHS Office of Oral Health, visited SHDHD to give an overview of the status of oral health in Nebraska and to provide specific training on equipment and processes for the dental disease prevention project "Nebraska Teeth Forever". SHDHD is beginning year 2 of this project. Community Health Worker / Project Specialist Heidi Davis will coordinate SHDHD's oral health outreach activities under this award.

Above and Right: SHDHD's Brooke Wolfe (Grants and Staffing Manager) completed the Great Plains Leadership Institute. Established in 2005, the Great Plains Leadership Institute is a year-long competency-based training program designed for established and emerging leaders in organizations whose primary mission is to improve the health and well-being of populations and communities. A robust experiential curriculum includes residential and distance learning, mentoring and coaching, and collaborative practice projects.

SHDHD's Preparedness & Response Coordinator Erik Meyer completed an emergency management capstone class (*Below Left*) and participated in statewide Integrated Preparedness Planning (*Right and Below Right*)
